

Purpose: To show donors exactly how their money creates a tangible reward for kids.

Sponsor a Grade School Classroom

Your gift fuels more than just reading—it powers the **Coins for Curiosity** event. When you donate, you provide:

- **Classroom Book Sets:** Getting wildlife stories into the hands of eager students.
- **Handcrafted Meme Coins:** Funding the unique tokens that reward students for finishing the challenge.
- **Future Literacy:** Helping us publish our upcoming titles, *The Vane That Flew in Vain* and *Oh, Wishing Star*.
